

Church of the Assumption Zone 3 – 2025 Annual Report

- Ours is an aging community, prayerful, joyful and very supportive of the parish. We are pleased to note younger members of our community are starting to participate increasingly in events.
- The Zone Mass was hosted by a young family, Mr & Mrs Abinash. It was well attended, Mass celebrated by Fr Leonard Lexson followed by pot-luck fellowship.
- In the month of May, 3 families within BEC St Augustine hosted Rosary sessions. BEC St Augustine meet for Rosary in the months of May and October.
- The mother's prayer group started in BEC St Augustine years ago and continue to meet every week, support and pray for all especially families and children.

- Many within all 3 BECs continue serve as communion ministers, join the youth, part of St Vincent de Paul, serve at the soup kitchen and support various causes both with the BECs and the parish at large.
- The members within Zone 3, continue to embrace technology to stay connected and informed of all events, announcements and notices within the Parish and the diocese at large.
