Summary Of 2025

- ▶ Over the past year, our BEC was unable to hold our regular monthly gatherings for reflections and fellowship due to conflicting schedules among members.
- ▶ Nevertheless, on 5 May, our BEC joined the other communities in Zone 6 for the annual Zone Mass. The celebration was held at the home of one of our BEC members, and it was a meaningful occasion that brought together parishioners from across the Zone. The Mass was presided by Father Lexson, who encouraged us to continue nurturing our faith and building communion within our small Christian communities. The fellowship that followed allowed members from different BECs in Zone 6 to interact, strengthen bonds, and renew our sense of belonging to the wider parish family.
- ▶ As we look forward to the coming year, we hope to resume our monthly BEC gatherings for prayer, reflection, and fellowship, while continuing to take part actively in Zone and parish-level activities.

Thank You From ACPJ'S Biggest Zone!!!
God Bless.
